# INVITATION

The National Institute of Biology from Ljubljana, Slovenia, is organizing the 3<sup>rd</sup> **International Conference on Biotremology**, which will be held in Piran (Slovenia) from 14 to 18 September 2020 (<http://projects.nib.si/biotremology2020/>).

This event aims to gather researchers, academics, technicians, students and other professionals in the field of vibrational communication in all animal taxa, with expected 60–80 guests attending.

You and your institution are invited to play a significant role in this important meeting, and we guarantee high-profile exposure at the Conference should you commit to becoming a major supporter.

We would be more than happy to discuss the program scope and the possible financial support from your Company. We look forward to hearing from you at your convenience.

Sincerely,

Dr. Meta Virant-Doberlet, National Institute of Biology  
*convenor*
